

Dear Eastern Springs water customer,

Welcome to Crystal Springs® bottled water delivery service. Effective March 27, 2023, we will be your new beverage provider. Our goal during this transition is to ensure you understand all of the changes and added benefits available to you.

What You Can Expect

- **Continued great service and products:** You will continue to receive Crystal Springs® bottled water products. We also offer a wide array of new premium bottled water products and equipment.
- **Delivery schedule and person:** Your delivery day and delivery frequency will change, and a new delivery person will be assigned to your route. To view your new delivery schedule, go to crystal-springs.com and create your online account.
- **Invoices:** Our invoices are aligned with our delivery cycle, so you will receive one invoice every 28 days. We've included an example of a Crystal-Springs® invoice to help you understand the format of our bills. Note that a fee for mailing paper invoices, a delivery fee and a late charge may apply. Any outstanding balances for invoices dated before Friday, March 24th need to be paid to Eastern Springs. Invoices for product deliveries, services, and equipment rent after Friday, March 24th should be paid to Crystal Springs®.
- **Paperless billing:** Go green and save money! If you sign up to receive electronic invoices, it will help you avoid the fee charged for processing, handling and mailing paper invoices. We waive this fee for the first 90 days to give you time to sign up and avoid this charge.
- **MyWater+ app:** Download the MyWater+ app to conveniently pay your bill, manage your deliveries and add products to your order.
- **Payment methods:** To simplify your billing routine, sign up for AutoPay using ACH, a debit or credit card to set up recurring payments. You can also pay your bill by mail, online, using the MyWater+ app or by calling us at 800-345-8741.
