

pure water 100 SERIES dispenser®

STYLISH • CONTEMPORARY • CONVENIENT

Modern, stylish design

The Pure Water Dispenser® 100 Series top-loading water dispenser offers convenient access to hot and cold water in any home or office setting. The large dispensing area makes it a snap to quickly fill water containers, cups or coffee mugs. Enjoy refreshing cold water for sports activities, cooking and hydration, or fast and convenient hot water for mixing beverages and ready-to-eat meals. Plus, there's a child safety lock included for safer hot water dispensing. Simple to install and easy to maintain, the stylish 100 Series water dispenser includes a 1-year limited manufacturer's warranty.

Innovative, versatile features

- Modern appliance styling; complements any décor
- Hot and cold faucets plus a large dispensing area
- Deep cup filler quickly fills water bottles, coffee pots and large containers
- Large 1-gallon cold water reservoir and 1.2-liter hot tank ensure plenty of cold and hot water is always available
- Proprietary technology provides energy efficiency, reliability and low noise
- Large removable drip tray helps keep water from leaking onto floor
- Also available in white and black with stainless-steel accents

Easy to maintain and convenient to use

- Freestanding floor unit
- Top-loading water bottle dispenser
- Accepts 3- or 5-gallon water bottles
- Built-in child safety lock
- Food-grade stainless-steel hot tank and cooling tank
- High-quality and energy-efficient compressor for reliable, consistent performance
- Easy to maintain; 1-year limited manufacturer's warranty
